

# FRESHWATER FISH

designed by Mike Vickery

*Metallic braids make these fish look wet and shimmery—as beautiful and natural as real fish under water.*

## MATERIALS NEEDED:

- The Kreinik Pastel Sampler Metallic Gift Collection, a boxed set of threads used in this design
- Tapestry (#24) Needle
- 14-count Charles Craft Aida in Light Seafoam
- cotton embroidery floss as listed in color key

## INSTRUCTIONS:

Cross stitch this design centered on your fabric. Use one strand of Kreinik Braid or two strands of cotton embroidery floss according to the color key. For tips on using metallic threads, visit the threads pages on [www.kreinik.com](http://www.kreinik.com), or call us at 1-800-537-2166.
